

Australia Awards

The Female Alumni Mentoring Initiative is a collaboration between Australia Awards Papua New Guinea and the PNG Australia Alumni Association. It supports female alumni to build their confidence and leadership capabilities and help them increase their contributions to the development of Papua New Guinea.

Female Alumni Mentoring Initiative

Expressions of Interest open now

Australia Awards PNG is seeking expressions of interest for mentees and mentors to participate in a new Female Alumni Mentoring Initiative for 2020-2021. The initiative will involve female alumni from across the public, private and civil society sectors.

About the Female Alumni Mentoring Initiative

- Will commence in August 2020 and cover one year
- Up to 50 people invited to participate as mentors and mentees
- A panel will match mentees with mentors across the public, private, and civil society sectors
- Mentoring training workshops will be provided for mentor and mentee program participants

Important information:

- Approval from your line manager is required
- The initiative is a collaboration between Australia Awards PNG and the PNG Australia Alumni Association
- To find out more about the learning and development benefits of participating in the Female Alumni Mentoring Initiative, please contact Alumni@australiaawardspng.org
